

WELCOME!

I wanted to take a moment and just say thank you! The fact that you've chosen to serve with Envision Cleveland is both exciting and humbling. Thank you for giving of your time, your energy and your money to show the love of Jesus by partnering with us as we seek to transform neighborhoods across Cleveland.

We are passionate about collaborating and assisting individuals, community organizations, local ministries and government to transform neighborhoods across Cleveland. We are also excited about sharing that process with you as you have come to serve alongside us. As you spend time with us we hope that you will be able to learn about community development and urban ministry.

You are also embarking on an exciting journey of learning, growing and serving Christ around the world. You are part of what Jesus told the disciples to do when he said "Go into all the world and make disciples." You are the people that Jesus was talking about in Acts 1 calling you "his witness."

While you are in Cleveland we believe, you will not only experience new things but will also have impact. Our prayer for you is that you will take the things you learn and be empowered to go back to your homes and communities to advance God's kingdom. As you begin to prepare and while you are here we have provided you and your team preparation training, devotionals and more. Please take the time to work through these before you come and while you are here. As you engage with the material we believe it will only add to your experience while you are here with us.

We're praying for you.

We're excited for you and humbled to serve with you,

Paul Huneycutt
Envision Cleveland Site Coordinator
